Paragraph 83

For the existing text *substitute*

83. Multilateral development banks, international financial institutions, climate funds, such as the Green Climate Fund, the Global Environment Facility, the Adaptation Fund and the Fund for Responding to Loss and Damage, and any other related funds should review internal decision-making frameworks and strengthen coordination to increase the availability of grants and concessional finance, simplifying access modalities, expanding direct access for States facing acute capacity constraints and supporting instruments, including debt-for-climate swaps, to help address debt burdens and fair taxation, while advancing adaptation and resilience for community protection.
